

In the City Council  
City of Lodi  
Lodi, California

**RESOLUTION NO. 1208**

"Resolved by the City Council of the City of Lodi, that pursuant and subject to all the terms, conditions and provisions of the Public Health Act of the State of California, approved March 23, 1907, and all amendments thereto, application by this City be made to the State Board of Public Health of the State of California, for a permit to construct, install, operate and maintain disposal beds and fields and such other waste disposal facilities as may be necessary or desirable from time to time for the proper disposal of human sewage, industrial canning and other wastes of said City. Said disposal beds and fields to be located in Secs 23 and 24 T3N R5E immediately adjacent to White Slough and to be approximately 303.44 acres in extent. The treatment plant to be connected with proposed disposal fields by two 2 " sewer outfalls on approximately .075 per cent grade and 0.3 miles long, that the Mayor of said City be and he is hereby authorized and directed to cause the necessary data to be prepared, and investigations to be made, and in the name of said City to sign and file such application with the said State Board of Public Health."

Passed and adopted at a regular meeting of the  
City council of the City of Lodi on the 5th  
day of July, 1944.

(Signed) J. F. BLAKELY  
Clerk of said City of Lodi
